**PUBLIC NOTICE**

**RE: SERVICE AVAILABILITY FOR OCTOBER 14 THRU 19, 2005**

The judges and staff of the Court acknowledge the patience of our practitioners and members of the public during our recent conversion to CM, the nationally supported case management system.

With the implementation of most provisions of the Bankruptcy Abuse and Consumer Protection Act of 2005 (Public Law 109-8) on October 17, 2005, the Court must convert to a new version of CM that is compatible with the new law. The following is an outline of the Court's schedule and system availability during this conversion.

Date/Time	Event
Friday, October 14, 2005 at 4:00 PM	Court closes
	Drop boxes close (only available in the Los Angeles and San Fernando Valley divisions)
	Mail received after this date will be considered filed on the actual date received by the Court, regardless of postmark. There is no mail service on Saturday, October 15, 2005, or Sunday, October 16, 2005.
Saturday, October 15, 2005 at noon	<i>eFile</i> no longer available to receive filings
Monday, October 17, 2005 at 9:00 AM	Court reopens, but automated systems, including <i>eFile</i> , cashiering, CM, PACER, etc. remain unavailable until at least Wednesday, October 19, 2005, once the conversion has been completed. Filers to receive manual receipts.

Emergency matters (only) for **all divisions** will be handled **by appointment only** at the Los Angeles Division Case Initiation Section, located at 300 N. Los Angeles Street, ground floor in Los Angeles on Sunday, October 16, 2005. To make arrangements to file an emergency petition or subsequent filing, please call (213) 894-8401 **no later than 3:00 PM on Friday, October 14, 2005.**

We expect traffic on the *eFile* system and walk-in traffic at the Intake windows to be heavy as we approach October 17, 2005. To avoid the last minute rush and to ensure the Court is able to process your filing in a timely manner, please submit all filings as early as possible.
